

The SDG Chef's Table

Exploring the UN Sustainable Development Goals through cooking, culture and collaboration.

Guided by
SDG 17
Partnerships
for the Goals

A Sample 5-Day Learning Journey

Day 01

Hong Kong Cultural Discovery

Explore the culture, communities and everyday life that shape Hong Kong.

Day 02

Kitchen Safety, Nutrition & Japanese Cooking

Explore nutrition, kitchen safety and low-carbon food choices through hands-on cooking.

Day 03

Cooking Across Abilities

Cook alongside students with visual impairments, learning through shared experiences.

Day 04

Supermarket Baking Challenge

Plan, shop and bake while considering food choices and waste.

Day 05

The Kitchen Game

Bring the week's learning together through a series of collaborative team challenges.

Underpinned by
SDG 4 • Quality Education

Led by a
UN SDGs Certified Trainer

Programme content, dates and year groups can be tailored to school objectives.
